Dear Mr. Huggins:

In response to your letter of July 13, 1976, please be advised that School District No. 5 only has the authority to sell or lease school property. The District does not have the authority to donate this property to another public body. A more detailed explanation of this opinion is found in the enclosed opinion of this office which was earlier sent to your office.

Sincerely,

M. Elizabeth Crum  
Assistant Attorney General
