Dear Mr. Earle:

Your letter of October 20th regarding the licensing requirements for gas fitters and mechanical tradesmen was referred to me last Friday for a response. Upon review of the applicable statutes and the letter of Attorney Able which you attached to your inquiry, it is the conclusion of this office that the language of Section 14-400.601 (1974 Supp.) provides Greenville County with the necessary authority to adopt licensing requirements and procedures for gas fitters and heating and air conditioning tradesmen.

With kind personal regards, I am  
Sincerely,

Kenneth L. Childs  
Staff Attorney
