***1 In Re: Inoperative Aircraft**

Mr. Jack Barry
S. C. Aeronautics Commission

Columbia, South Carolina 29202

Dear Mr. Barry:

You have inquired whether or not annual registration fees provided by Act 1464 of 1972 are required with respect to inoperable aircraft.

It is the opinion of this Office that the Act requires registration of aircraft 'operated or caused to be operated within this State' [Section 1, Act 1464], and that inoperative aircraft are not required to be registered.

Very truly yours,

Joseph C. Coleman
Deputy Attorney General
