Honorable W. N. Clinksealas, Jr.
House of Representatives
Anderson County

Dear Sirs:

The Anderson County Planning and Development Board was created by Act No. 400 of the 1957 Acts and Joint Resolutions at 592. Since this 1957 enactment, the General Assembly has appropriated funds to the Board, and pursuant to Act No. 1712 of the 1972 Acts and Joint Resolutions at 3337, relating to appropriations for the fiscal year 1972-1973, the amount of One Hundred Thousand Dollars (\$100,000.00) was appropriated to the Board.

The establishment of the Planning and Development Board and the appropriation of funds thereto are common place as at the present time nearly all of the counties of South Carolina have similar legislation.

Your inquiry is to determine the legality of appropriating funds to the Anderson County Planning and Development Board. I, along with two other members of this office, have researched this question, and I have discussed this matter with the Attorney General. It is our conclusion that the General Assembly, at the request of the Anderson County delegation, may appropriate funds to the aforesaid Board, and such is proper.

I hope this will be of assistance to you in resolving this question.

Very truly yours,

Donald V. Myers
Assistant Attorney General
